- e) Use a sketch map of the Tsavo Conservation Area in Kenya. It includes Chyulu Hills National Park, Tsavo East National Park and the Tsavo West National Park. Using this area or otherwise, explain some five factors that usually determine the boundaries of national parks in the developed as well as developing countries. (10 marks)

[Total 30 marks]

SECTION B (ANSWER ANY TWO QUESTIONS)

Question Two

“Recently this has been rife; illegal entry and illegal camping without paying fees of any kind is particularly bad in the Musiara and Talek area; and infrequent checks have shown thousands of shillings being lost each month”. *K. A. Smith, September 1986, WWF Project, Maasai Mara Game Reserve.*

Discuss this statement.

(20 marks)

Question Three

(a) Describe three unique geographical benefits of the Nairobi National Park. **(6 marks)**

(b) Discuss why Nairobi national park could be described as a protected area that is under siege. **(14 marks)**

Question Four

(a) State any three of the IUCN categories of protected areas. **(6 marks)**

(b) What IUCN category does the Maasai Mara University Botanical Garden belong to? Give a justification for your answer. **(14 marks)**

Question Five

Explain how one could apply and get a certain protected area declared a Ramsar site. **(20 marks)**
