

## MAASAI MARA UNIVERSITY

## REGULAR UNIVERSITY EXAMINATIONS 2018/2019 ACADEMIC YEAR FOURTH YEAR SECOND SEMESTER

SCHOOL OF TOURISM AND NATURAL RESOURCE MANAGEMENT BACHELOR OF ARTS (GEOGRAPHY)

COURSE CODE: GEO 414
COURSE TITLE: DATA PROCESSING

DATE: 24<sup>TH</sup> APRIL 2019 TIME: 8.30AM -

10.30AM

## **INSTRUCTIONS TO CANDIDATES**

Answer ALL questions in section A and any other TWO in section B.

## This paper consists of 2 printed pages. Please turn over

| DATA .                               | PROCESSING  | GEO 414   |
|--------------------------------------|---|---|
| SECTI                                | ION A (COMPULSORY)  |   |
| QUES                                 | TION ONE  |   |
| (b). Giv<br>(c). Ma                  | ing examples, explain the difference between 'Data' and 'Information'. we five types of errors in data processing. ake clear comparisons between Manual, Mechanical and Electronic Systems at the characteristics of real-time data processing. | (10 marks)<br>(5 marks)<br>3.<br>(9 marks)<br>(6 marks) |
| SECTION B (ANSWER ANY TWO QUESTIONS) |   |   |
| QUES                                 | TION TWO  |   |
| (a).<br>(b).                         | Explain the importance of data visualization.  Describe the stages in data collection in the agricultural sector.   | (10 marks)<br>(10 marks)                                |
| QUES                                 | TION THREE  |   |
| ` /                                  | amine the factors that determine the methods of data processing. scuss the Security threats to data and information   | (10 marks)<br>(10 marks)                                |
| QUES                                 | TION FOUR   |   |
| Explai                               | in the ethical issues related to data protection of information   | (20 marks)  |
| QUES                                 | TION FIVE   |   |
| (a).<br>(b).                         | Explain the causes of data loss in computers<br>Show the difference between 'quantitative data' and 'qualitative data'  | (10 marks)<br>(10 marks)                                |
|                                      |   |   |
